**FLORIDA DEPARTMENT OF STATE
REPORT ON EXPENDITURE OF TITLE I, SECTION 101 FUNDS DURING 2005**

As requested by the U.S. Election Assistance Commission, listed below is a detailed list of expenditures and a description of the related activities conducted by the Florida Department of State during calendar year 2005 utilizing Help America Vote Act (HAVA) Title I, Section 101 funds.

VOTER EDUCATION - \$3,829,808

During calendar year 2005 Florida distributed \$3,829,808 to the 67 county supervisors of elections to be utilized for voter education purposes. In order to receive the funds each supervisor of elections was required to submit a detailed plan outlining the anticipated uses of the funds. In addition to the plan, each Board of County Commissioners was required to provide fifteen percent matching funds to be used exclusively for voter education purposes.

County supervisors of elections are required to submit a report to the Department of State on an annual basis regarding voter education programs conducted in the counties until the funds distributed by the state are depleted. Based on the latest reports from supervisors of elections, counties continue to employ numerous voter education activities in an effort to involve citizens in the elections process.

These activities include printing and mailing sample ballots to registered voters, conducting voter registration drives at various locations and events throughout the county, disseminating information regarding election dates and related deadlines through a variety of media sources, and conducting demonstrations on the use of voting systems equipment.

Florida's voter education program is discussed in the HAVA State Plan on pages 37 through 47 and on page 58.

ELECTION ADMINISTRATION - \$303,394

Florida established three positions in the Department of State to provide administrative oversight and coordination for HAVA-related activities. Employees in these positions are responsible for monitoring HAVA expenditures to ensure compliance with federal requirements. The positions administer several contract programs that provide funds to county supervisors of elections for HAVA-related activities including voter education and voting systems assistance programs. In addition, the positions are responsible for administering grant funds awarded by the U. S. Department of Health and Human Services under the Voting Access for Individuals with Disability (VOTE) grant program.

Recommendations regarding establishment of positions associated with HAVA Oversight and Reporting can be found on page 59 in the HAVA State Plan.

Additional Title I funds were utilized to print several documents that were distributed to county supervisors of elections including a revised voter registration application form. Reference to publications required by HAVA can be found in the HAVA State Plan on pages 20 through 24 and on page 60.

The state contracted with an organization to assist county supervisors of elections with developing and implementing plans to make polling places and voting systems equipment accessible to individuals with disabilities. Reference to polling place accessibility is included in the HAVA State Plan on page 80 and 81.

COMPLYING WITH REQUIREMENTS OF TITLE III - \$87,544

One of the requirements of Title III includes development and implementation of a statewide voter registration system. The 2003 Florida Legislature appropriated funds to begin development of a system that would meet the criteria outlined HAVA. The Legislature included authority to establish five positions in the Department of State to assist with developing and implementing the voter registration system. Title I, Section 101 funds were used to fund these positions during the first few months of 2005. The positions were funded with Title II funds during the remainder of 2005.

Reference to these positions can be found in the HAVA State Plan on page 56 and 61.

INTEREST ACCRUED - \$250,596.63

During 2005 the Department of State invested Title I, Section 101 funds and accrued \$250,596.63 in Interest.
